28th Annual
West Michigan Cancer Nursing Conference

"Uniting to Enhance Quality of Life"

April 13, 2018
Crowne Plaza
5700 28th Street SE
Grand Rapids, Michigan

Program Description

This program is designed to educate nurses and other health care professionals in current, state-of-the-art practices in cancer care.

Objectives

- Describe the emerging field of molecular diagnosis of cancer.
- Provide information on human trafficking and how a nurse might become involved.
- Discuss the effects of financial toxicity as a result of cancer care.
- Discuss pain management from a whole person perspective.
- Identify immunologic therapies in the treatment of cancer.
- Discuss the lessons learned after being a nurse with cancer.

Who Should Attend

This conference is for nurses, radiology staff, medical assistants and other health professionals who care for cancer patients.
